A Night For Arabella "Little Heart Warrior" Benefit

Arabella Rylee Blados was born on July 16, 2019, to Ashley (Sawicki) and Dan Blados, lifelong residents of Southold Town, now residing in Virginia. Prior to her birth, Arabella was diagnosed with a complex congenital heart defect, which would require multiple surgeries to live. At just six weeks old Arabella underwent her first emergency open heart surgery, and will have to undergo additional surgeries to fix her heart issues. The portion of proceeds that go to the Blados family will help with Arabella's increasing medical costs. You can be a part of Arabella's success story, and help make her heart STAND STRONG.
